JOAT.AMP.NET this is the website. this website need to be upgraded. please review and create an complete outline for claude to make this website

Executive Overview

This roadmap is structured specifically for **Claude** (via Claude Code, Cursor, or direct prompt execution) to execute the design, front-end rewrite, back-end integration, and content structural rebuild for **joatamp.net** (Jacks of All Trades Community Development).

Claude Implementation Brief & Directive

Markdown

```
# SYSTEM PROMPT FOR CLAUDE CODE / DEV AGENT
You are tasked with rebuilding and modernizing the non-profit website for "Jacks of A

## PROJECT OBJECTIVES:
1. Re-architect the platform into a high-converting, modern, accessible web portal.
2. Integrate Zeffy ticketing/donations natively with embedded forms and dynamic QR li
3. Cleanly present the 50/50 Neighborhood Revitalization Raffle ($1, $20, $50, $100 t
4. Highlight Community Impact, Youth & Adult Trades Training, and Property Renovation

## RECOMMENDED TECH STACK:
- Framework: Next.js 14+ (App Router) or React/Vite + Tailwind CSS
- UI Components: shadcn/ui + Lucide Icons + Framer Motion
- Form/Donation Backend: Zeffy Embed API + Webhooks / Supabase Integration
- Deployment: Vercel / GitHub Pages
```

Master Website Architecture Blueprint

```
joatamp.net/
├─ 1. HERO & HOME PAGE (High-Impact Community Focus)
├─ 2. 50/50 RAFFLE HUB (Zeffy Integration & Live Counter)
├─ 3. OUR IMPACT & RENOVATION SHOWCASE (Before/After & Milestones)
├─ 4. TRADES TRAINING & PROGRAMS (Youth/Adult Development)
├─ 5. PARTNERSHIPS & GET INVOLVED (Sponsors, Volunteers)
└─ 6. CONTACT & TRANSPARENCY (Donations, Disclosures, Footer)
```

Detailed Section-by-Section Component Instructions

Markdown

```

- ****Platform Partner Note:**** Powered by Zeffy Free Platform.
- ****Footer Links:**** Privacy Policy | Terms of Use | Tax Exemption / Non-Profit Status

Copy/Paste Instructions to Prompt Claude Code

To build or refactor the site immediately, pass the following direct prompt to **Claude Code**:

"Claude, please read the structural specification above and generate a clean, responsive single-page or multi-page layout using React and Tailwind CSS for joatamp.net . Ensure the raffle section includes the precise pricing matrix (\$1 for 1 ticket, \$20 for 30 tickets, \$50 for 70 tickets, \$100 for 150 tickets), embeds the Zeffy ticketing flow, incorporates the Jacks of All Trades logo, and displays the Before/After renovation showcase and 5-phase milestone map."
