

The background of the slide is a stylized illustration of a construction site at dusk or dawn. In the foreground, four diverse construction workers are gathered around a set of blueprints. A man with a beard and glasses, wearing a yellow hard hat and a blue work shirt, is holding the blueprints. To his left, a woman with dark hair in a bun, wearing a grey hard hat and a purple shirt, looks at the plans. To his right, a woman with curly hair, wearing a grey hoodie and a grey hard hat, also looks at the plans. Behind them, another man in a white hard hat and blue shirt is visible. In the background, there are construction cranes, scaffolding, and city buildings under a warm, orange-hued sky. Two other workers are visible in the lower corners, one on the left working on a wall and one on the right working on a structure.

Our Vision

Building Futures, Rebuilding Detroit

A city where every young person has access to a meaningful trade and every neglected home is transformed into a symbol of hope and renewal. Through hands-on training and community partnership, we're creating pathways to prosperity while revitalizing neighborhoods across Detroit.

Core Values

Empowerment

Giving students the tools to build a future for themselves

Community Renewal

Revitalizing neighborhoods through skill and service

Integrity

Upholding professionalism, safety, and responsibility

Collaboration

Partnering with local governments, trades, and businesses

Excellence

Producing high-quality craftsmanship and character

Trade Training Programs

Hands-on instruction across six high-demand trades, preparing students for successful careers in construction and skilled labor.

Carpentry

Master framing, finishing, and custom woodwork through real-world projects

Electrical

Learn wiring, circuits, and safety standards for residential systems

Plumbing

Gain expertise in pipe fitting, fixtures, and water system installation

Landscaping

Transform outdoor spaces with design, planting, and maintenance skills

Drywalling

Perfect installation, taping, and finishing techniques for interior walls

Roofing

Build expertise in installation, repair, and weatherproofing systems

How Our Program Works

01

Trade Training & Certification

Comprehensive instruction across six high-demand trades with industry-recognized certification

02

Professional Mentorship

Each student matched with an experienced professional for guidance and support

03

Hands-On Renovation

Students restore real properties under supervision, gaining practical experience

04

Community Engagement

Projects improve housing, beautify lots, and rebuild neighborhood pride

05

Job Placement

Graduates move into apprenticeships and full-time positions with partner companies

Community Revitalization Approach

Training students through real construction projects while directly addressing urban blight across Detroit.

Partner & Identify

Work with city, land banks, and housing authorities to identify vacant and dilapidated homes

Acquire Properties

Acquire or lease selected properties as dedicated training sites for students

Restore & Train

Engage students in all phases: demolition, repair, drywall, roofing, plumbing, landscaping, electrical

Distribute Homes

Sell, rent, or donate completed homes to low-income families or use as mentoring housing

Reinvest & Expand

Reinvest proceeds into additional property restoration projects across the city

Our Impact

Transforming Lives & Neighborhoods

Our innovative model merges workforce development with neighborhood revitalization, creating lasting change for students and communities alike.

- Hands-on experience on real projects
- Visible community improvement
- Public-private partnership opportunities
- Enhanced grant eligibility

6

Trade Programs

Comprehensive training across high-demand skilled trades

100%

Job Placement Focus

Graduates move into apprenticeships and full-time positions

1:1

Mentorship Ratio

Every student matched with an experienced professional

Strategic Partnerships

Collaborating with city and national organizations to maximize impact and create sustainable change across Detroit.

Detroit Land Bank

Accessing vacant properties for training and community revitalization projects

Section 8 & HUD

Providing affordable housing solutions through restored properties

City of Detroit

Working with city government and Detroit City Council on urban renewal initiatives

National Organizations

Partnering with trade associations and workforce development programs nationwide

Student Success Stories

"This program gave me more than skills—it gave me a future. I went from having no direction to becoming a certified electrician with a full-time job. Now I'm helping rebuild the neighborhood I grew up in."

Our graduates don't just learn trades—they become community leaders, transforming their lives while revitalizing Detroit one home at a time.

Career Pathways

From training to certification to full-time employment in high-demand trades

Community Pride

Students see the direct impact of their work in transformed neighborhoods

Lifelong Skills

Building expertise that creates economic stability and generational wealth

Enroll in Our Trade Training Programs

Ready to build a new future? Our hands-on training programs provide foundational skills in high-demand trades, preparing you for immediate employment. Classes run **3 days a week, 5 hours a day (10 AM - 3 PM)**, offering flexibility while you gain valuable expertise. Discover your path to a rewarding career through immersive training in our six core trades:

Electrical

Master circuits, wiring, and safety standards.

Plumbing

Learn pipefitting, drainage, and system installation.

Carpentry

Develop skills in framing, finishing, and construction.

HVAC

Train in heating, ventilation, and air conditioning systems.

Masonry

Work with bricks, blocks, and stone for durable structures.

Welding

Gain expertise in various welding techniques and metal fabrication.

Take the first step towards a skilled trade career and contribute to Detroit's revitalization. Our comprehensive curriculum and experienced instructors will guide you every step of the way.
